DEDICATION

The Mohawk 1984 is dedicated to the Class of 1984. Through the efforts of many individuals graduating this year North Adams State College has become a better place to live, learn and grow in. Hard work and determination have been the back-bone to our success in achieving a degree. Surely, this same perseverance is necessary for each of us to continue on successfully with our careers of the future.

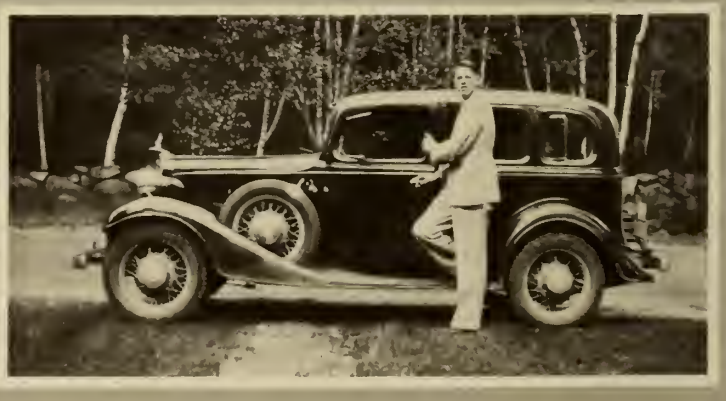
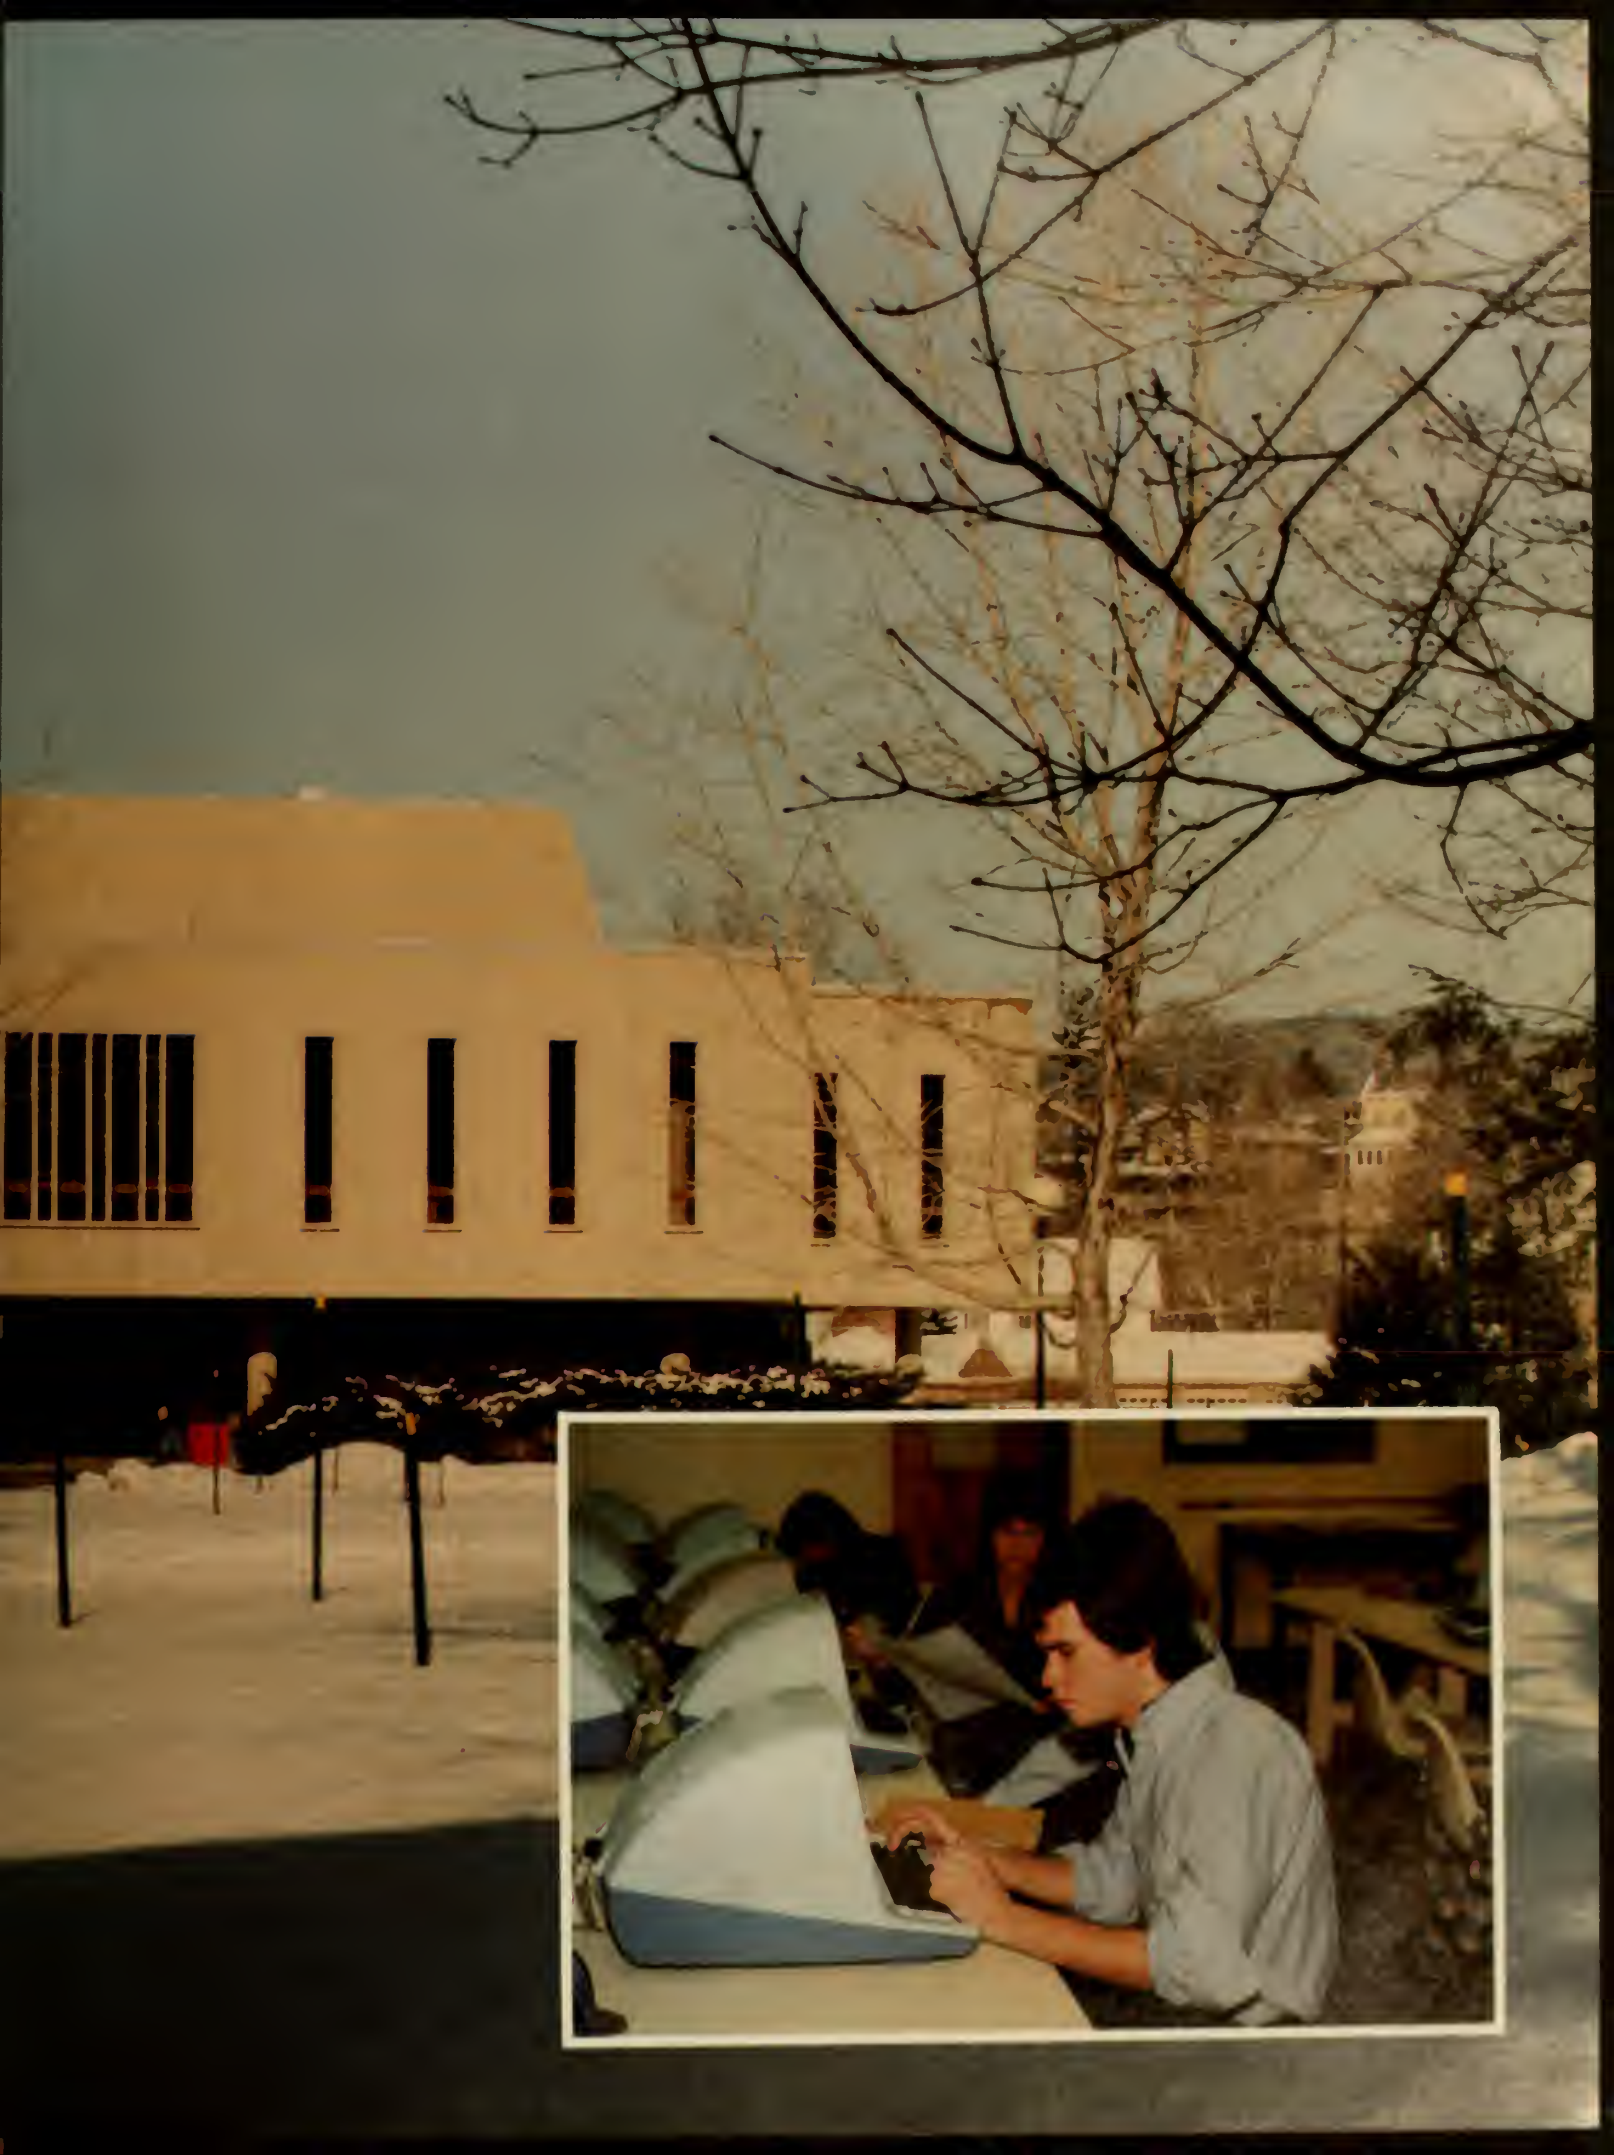
PROGRESSIONS





Dr. William P. Haas arrived at North Adams State College in 1979 as president. He left the college in the fall of 1983 to continue his teaching career in Rhode Island.

During his years at NASC, Dr. Haas showed his dedication to the college and the city of North Adams in many ways. By taking pride in the community, Dr. Haas proved that he truly enjoyed his stay as administrator of NASC.

Dr. Haas will be remembered as one who allowed students to achieve new cultural and academic heights. His memory should instill, in each one of us, the spirit to keep growing, learning and progressing in our journey through life.

Dear Graduate:

Congratulations! You now join the ranks of a proud and select group of individuals; the 7500 alumni of North Adams State College. I hope that your college experience has been fulfilling and you have obtained the most growth possible - personally, professionally, intellectually, and socially - while here in the Berkshires.

My hope is that you will capitalize on what has occurred here and will continue to grow and learn in the years to come.

Best wishes and much success in the future.

Sincerely,

Raymond C. Sullivan
Acting President
